Committee differed the above project due to following reasons:

1. Minutes of meetings of standing committee of National Board for wild life at Page No. 26 to 33.

    States that N.O.C. from ministry of forest is not available and same is required for approval of the project.

2. The hydrology is approved by C.W.C New Delhi for availability of water and it is proposed to lift 6.542cumec of water by this scheme from Chambal river but as per 22nd meeting of standing committee of NBWL recommendations, no new projects could be allowed for taking water from the Chambal river as the present flow is inadequate and declining @ 3% every year.
