

Government of Rajasthan
State Water Resources Planning Department
Jaipur

No. SWRPD/WP/SWA/Action Plan/1268 Dated 16/6/2010

ORDER

The Para 1.4.2 of the state water policy Feb-2010 of Rajasthan state envisages that "Wherever possible, projects will integrate surface and ground water resources." In view of the above para of Policy, all concerned authorities are enjoined upon that Project Planning and Implementation of Water Resources Projects should be integrated with available surface water as well as with ground water for optimal utilization of water resources.
