ORDER

The Para 7.1.2 of State Water Policy, February 2010 of Rajasthan envisages that "Independent environmental impact studies will be undertaken for all proposed major and medium water resources projects. An inventory of high priority ecological systems, particularly those of significant genetic diversity, will be prepared and the human impact upon these systems assessed."

In view of the above, all concerned authorities are enjoined upon to undertake independent environmental impact studies for all proposed major and medium water resources projects and prepare an inventory of high priority ecological systems, particularly those of significant genetic diversity, and assess the human impact upon these systems.
