**Subject: Clarification regarding engagement of experts/ staff in SLNA/ SLDC/
WCDC under Integrated Watershed Management Programme - reg.**

Sir,

In continuation to this Department's letters of even no. dated 20.11.09, 11.01.10 and 08.04.10 regarding the engagement of experts/ staff in State Level Nodal Agency (SLNA)/ State Level Data Cell (SLDC)/ Watershed Cell cum Data Centre (WCDC) under Integrated Watershed Management Programme, it is informed that the experts and staff in SLNA and District units, appointed on deputation, may be allowed to draw their actual pay & allowances as applicable to them in their parent cadre. This is subject to the condition that the State Govt. should not exceed the financial limit of expenditure on salary of experts & staff in SLNA/ District units, already communicated.

It is further mentioned that implementation of Integrated Watershed Management Programme has been conceived by utilizing dedicated institutional arrangements such as SLNA/ WCDC/ Watershed Development Team/ Watershed Committee. The expenditure on pay & allowances of officers looking after IWMP related works, only as additional charge should not be met from funds provided by Department of Land Resources under institutional support as well as administrative component of the project fund under IWMP.

Yours faithfully,

(Dr. Savita Anand)
Joint Secretary (WM)
