

# Office of the Chief Engineer Indira Gandhi Nahar Project Bikaner

Date:- 27/07/2021

## Corrigendum NIT 05/2021-22

The bidders have to quote their rates in BOQ1 and BOQ2. These rates automatically reflects in BOQ3 but do not affect the rates quoted by the bidders in BOQ1 and BOQ2. It is seen that there is a technical error in BOQ3 where the BOQ2 rates at row No 1.02 are not multiplying automatically.

Hence it is clarified that since there is no problem in quoting the rate in BOQ1 and BOQ2 by the bidders. BOQ3 shall not be considered in deciding L1. It shall be decided on the basis of rates quoted in BOQ1 and BOQ2 combined.

  
Chief Engineer  
Indira Gandhi Nahar Project  
Bikaner

  
Chief Account Officer  
O/o Chief Engineer  
Indira Gandhi Nahar Project  
Bikaner
