

**Government of Rajasthan
Water Resources department**

F.No. Estb II/cewr/2021/5113

Jaipur, dated: 29/11/2021

Circular

It is observed that many officers and other employees under the control of Water Resources Department apply for seeking No-Objection certificate from HoD/Administrative Department for appearing in the examination conducted by UPSC/RPSC/RSSB and other Central/State Government organisation.

To make the process simpler it is decided that all officers and employees of the Water Resources Department need not to apply for NOC while appearing for examination, but they need to seek permission from their respective controlling officer at the time of joining for new Service/Post. Also inform the controlling officer about appearing in any examination. This Circular ~~is~~ ^{does} not give any right for seeking leave for examination.

(Dr. Prithvi)

Secretary to Government
